INTRODUCTION.

KINGS COUNTY, now known as Washington, is a delightful field for the geneologist and historian to labor in. While the compiler of this volume regrets the sad loss of the old Kings Towne Records, he is happy in thinking that the people kept a very good record up to the period of the Revolution. Here, as in all other portions of the State, the recording from 1776 to 1850 is remarkably poor, and the compiler believes, that had this latter period been kept as faithfully as the former, that this work would have been double its present size. The perplexities, difficulties and annoyances the compiler met in other portions of the State have attended him here, the nature and character of which none save those who have and experience in the field can form a just idea.

It is a source of pride with the compiler to realize and know that his labor of years has been a success and is appreciated by the scholar interested in family matters. He is grateful for their words of encouragement, both printed and written. No Rhode Island work has been better received or has received more or better endorsment than his.

THE NAMES OF THE TOWNS.

North Kingstown, incorporated Oct. 28, 1674, as Kings Towne. First settlement 1636. Name was changed to Rochester, June 23, 1786, but restored in 1689. Town divided into North and South Kingstown, Feb. 26, 1722-3, which provided that North Kingstown should be the eldest town.

Under authority of Connecticut the town in 1663 was incorporated as Wickford, called Kings Towne because it was the town given the colony through the pleasure of the King. Original name Aquidnessett.

Westerly, incorporated May 14, 1669. Original name Misquamicutt. Called Haversham, June 23, 1686. Name restored as Westerly in 1689. Called Westerly because it was the most western town in the colony.

South Kingstown, incorporated Feb. 26, 1722-3. Called by the proprietors Pettequomscutt.

Charlestown named from King Charles II. Town incorporated Aug. 22, 1728. Taken from Westerly. Original name Shannock.

Exeter, incorporated March 8, 1742-3. Taken from North Kingstown. Called by the proprietors, Newbury, in honor of Walter Newbury, Treasurer of the company. Original name Yawgoo. Called Exeter after the English town of that name.

Richmond, incorporated Aug. 18, 1747. Taken from Charlestown. Named in honor of William Richmond, a name which served the longest term as Assistant of any yet placed on our records.

Hopkinton, incorporated March 19, 1757. Taken from Westerly. Named in honor of Gov. Stephen Hopkins.

CONDITION OF THE RECORDS.

North Kingstown has several books, but which have been so badly damaged by fire and smoke as to render a pagination impossible. Our copy printed in this volume, with all its imperfections, is a far better one than can be made to-day from the same sources.

South Kingstown has two books, both in good order. They have also in the old Kings Towne Transcripts a list of births, marriages and deaths. These are included in this volume under the North Kingstown records.

Exeter has two books, in good order.

Westerly has five books; two first need binding; the others in fine condition.

Charlestown's first book needs binding; writing good. The second book is in fine order. Is known as First Council.

Richmond has two books. No. 1 needs binding. Is known as Land Evidence, No. 1. No. 2 has a good binding. Is known as Town Meeting, No. 1. Writing in both good.

Hopkinton has five books. Nos. 1, 2 and 3 are known also as Town Meeting, 1-2-3. No. 4 is known also as School Committee, No. 1. No. 5 is known also as Militia, No. 1. Writing in all good. The two first need binding.

ACKNOWLEDGMENTS.

We still have to thank our dear friends again for their continued interest in our work, for their confidence in us personally and for their many kindnesses.

The General Assembly of the State has again been liberal, and has bestowed on the work a liberal subscription, for which we thank them, and also the Honorable Committee who favorably reported upon so desirable a matter to us and so vital to the success of this enterprise.

PLEASE OBSERVE.

We also thank the public for the favor in which they received our previous volumes, and for their good wishes towards us in the future.

I. That the marriages are given in duplicate, but that nothing beyond the book and page of the original town record, the names and date are given where the bride is placed first. That under the groom the notes are so extended as to include all the items of the record from whence it was taken. The reader will consider the bride being placed first, therefore, as merely an index for him to consult the other entry in its proper place. Should they disagree, give the groom the preference, if possible. That the births and deaths are grouped so as to better enable the reader to see at a glance the names and dates in their natural order of the members of the family.

II. That the figures at the left of the name is the book and page of the original town record, the hyphen separating the two apart.

III. That the indexes for all the towns treated in this work are placed in the fore part of the book. No one need look farther than the index to discover whether the matter he is in search of is to be found within the covers. These indexes are so constructed as to show:

(a) The names occurring in their natural order.

(b) The names occurring promiscuously, and

(c) The places mentioned in the text.

IV. That each town is separate and distinct in itself, and the indexes are confined strictly to each town, but all are placed in the fore part of the work for the more handy reference of the reader. Should the reader want his copy rebound, he can do so, and the indexes can be differently placed with no injury to the others.

V. The spelling of the given names are as they stand on the Record in many instances, and when they are not far wrong. This accounts for the variety of spelling in this work.

VI. The acts incorporating the several towns of the county are placed before the matter itself in that particular town.

VII. Every convenience that would aid the reader, and everything that would naturally perplex him, has been carefully studied. While not claiming

perfection for our work, we would say that we have spared no pains in order to make it as simple as possible, and yet be comprehensive. How well we have succeeded in this must be left, however, to the reader himself to say.

VIII. We have not changed dates here given, but we give it just as it stands on the Record itself. We have observed, however, that the Scotch year is more general in this county than in any other that has come to our notice

A REQUEST.

It would be a great favor to the compiler of this work if every reader who consults these pages would copy out and send to him at Providence, R. I., copies from his family record in the Bible, or where else the same may be recorded, or any other information he may be possessed of, in order to make these records in the future as complete as possible. It makes no difference whether the party resides in the State of Rhode Island or not. If they can connect with Rhode Island ancestry it is sufficient. While these matters may seem trifling, yet they may become of incalculable value in the future, and therefore we urgently desire that the Vital Records of Rhode Island may be made complete and that errors, wherever found, may be pointed out and corrected as soon as possible.

ANNOUNCEMENT.

We have substantial encouragement so far that we feel able to here announce that we shall commence the new year (1894) with a new serial, entitled "RHODE ISLAND COLONIAL GLEANINGS." These volumes will be faithful transcripts of the first record books of the oldest towns in the State, and papers illustrating some important State question of history. They will afford much interest to the scholar and will be published so that every poor man can have a copy if he wishes one, as they will be published at popular prices.

The compiler's long experience in reading old manuscript, and his long and close study of our State history, places him in a position to do an able work. When it is taken into account the many perplexities and difficulties that have on every side beset his path, and of such nature that no other man in the State would have had the courage to face it, and then to see the noble work he has already done. The Vital Record alone is a monument to his industry. The grand work the city of Providence is now doing was put into successful operation by him, seconded by several thoughtful and intelligent gentlemen.

If the good people of our State will stand by us and our lamp of life holds out, we pledge ourself Rhode Island will have no need to blush for one of her sons.

The compiler of these Vital Records means business, and he proposes to be as persistent and as untiring in the future as he has been in the past, and he does not propose and will not be put down, but means to be heard. "Hew to the line" is the motto on his banner, and the preservation in print of our historical treasures shall be his object, and he asks the endorsement and good feelings of every intelligent citizen of Rhode Island in his behalf, and he asks them to see to it that he has a fair and square show.

All he asks for himself he is willing to concede to others, and stands ready to record every courtesy to others that he expects others to grant him. The field is broad enough for all, and he only demands that those who enter it shall enter as scholars should enter and conduct themselves as gentlemen should towards each other, and be willing to learn of each other and assist when occasion demands. All that enter the field with these sentiments will find every day in the week and Sundays in the compiler a friend, adviser, sympathizer and man.

NORTH KINGSTOWN.

MARRIAGES.

NOTE.—North Kingstown had at one time as fine a Town Record as any town in the State, and full as important and historic. In December, 1869, the records were badly damaged by fire. The books, or rather what remains of them, were so badly burnt and pages become so disarranged that it has become impossible to give original book and page, as in the other towns, and hence are omitted here. No doubt errors in names and dates are here made, but this can be relied on far safer than the present condition of the records. This is an honest attempt, therefore, to save what remained of them in September, 1881.

ACT DIVIDING THE TOWNE OF KINGS TOWNE.

Voted, that the Act for dividing of Kingstown, be not repealed.

We, whose names are present Subscribed, being appointed and authorized by virtue of an Act of the General Assembly of His Majesty's Colony of Rhode Island, etc., held at Newport, by adjournment, the third Tuesday of June, 1722, to divide the Town of Kingstown into two towns (with all the equality that could be, and to be called by the name of NORTH and SOUTH KINGSTOWN), have proceedeth as followeth, viz.:

Beginning at the Narragansett Bay, at the dividing line between Mr. Francis Willett and Mr. William Robinson, and so continuing said line to the river commonly called Pettaquomscut river, and from thence, a westerly course sixteen degrees southerly into a certtain bound mark in the country road, at a corner of a hedge between Watson and Watson's, and from thence, west four degrees north, until it comes into a highway between Mrs. Mary Haszard and Eber Sherman's and from thence, keeping the highway, which runs west twenty-one degrees north, to a marked tree, near the end of said highway; and from thence, taking a westerly course twenty-seven degrees northerly to a marked tree, something to the southward of Job Babcock, Jr's, house, and so continuing the same course as near as we could, for the badness of the way, taking a marked tree marked on four sides, on the other side of the swamps, continuing the same course into a stake and heap of stones at, or near Misquamocock line, and the line continued in the aforesaid Kingstown, to the southward of said dividing line, to be called SOUTH KINGSTOWN; and all to the northward to be called NORTH KINGSTOWN.

And it is the opinion and intent of the aforesaid subscribers, that if, and in case it should so happen, that the aforesaid line shall run through any man's land, or property, on that side where his house or major part of the land thereunto belonging fall, he shall be one of that Town, and he shall pay rates and taxes into, and do all other duties in the same, for all his said estate as afore mentioned.

As witness our hands this 23d of September, one thousand, seven hundred and twenty-two.

JONATHAN NICHOLS,
WM. WANTON,
T. HULL.

Voted, that this foregoing return be accepted, and that North Kingstown be the eldest Town.

It is voted and enacted by this Assembly, that the Town Meeting to be held at the house of Thomas Joslin, (for the late Town of Kingstown, now North and South Kingstown) on Monday next, to choose jury men to serve in the next General Court of Trials, to be held for this Colony, on the last Tuesday of March next; and that the freemen of each of the respective Towns of North Kingstown and South Kingstown, meet on the third Wednesday of March next, in each of their respective Towns, and some convenient place in each respective Town, as the Assistant or Justices dwelling in each respective Town, shall appoint, and shall then choose deputies, and give in their proxies for the General Election, and appoint their quarter meetings, and that the inhabitants of each Town at their Town Meeting on Monday next, be advised thereof by the Assistants of said Town; and that

the Towns of North Kingstown and South Kingstown govern themselves accordingly.

And that the Recorder draw up for each Town their Charter, in order to deliver them to the magistrates at the Election, such as shall be chosen for each respective Town.

And that all former Charters shall cease, upon their receiving their Charters for each Town. And at their respective Town Meetings to be held on the third Wednesday of March next, each Town shall choose two men, to join in a Committee to audit the Treasurer's accounts, that each Town of North and South Kingstown may have their proportion of said money, when they have chosen their respective Treasurer's, in proportion according to their taxes for each Town.

And that the Records of the late Town of Kingstown be put into the hands of the clerk of North Kingstown, to be and remain in said North Kingstown; and that a copy of all Records belonging to South Kingstown, to be drawn out of the Records of the late Kingstown, and to be delivered to the clerk of said South Kingstown, when chosen, and to be paid for out of North and South Kingstown treasuries.

And that Mr. Rouse Helme and Mr. Francis Willet, be, and they hereby are appointed to draw a copy of said Records; and that each Town of North and South Kingstown, shall, after they receive their Charters, choose two petty jurymen, and one grand juryman, to serve at each General Court of Trials, to be held for this Colony.

And it is further ordered, that the day of choice of Town Officers for each Town be mentioned in their Charters.

Voted, that the Act for regulating of North and South Kingstown, be immediately proclaimed.

ACT INCORPORATING THE TOWN OF CHARLESTOWN.

AN ACT for dividing and incorporating the Town of Westerly into two Towns and the same to be known and distinguished by the names of Westerly and Charlestown.

Whereas, the present Town of Westerly is very large and its inhabitants are numerous, many of whom live at a very remote distance from the place of meeting appointed for the transacting the public, and prudential affairs of the Town and the rivers there (especially in the middle part thereof) being very large so that the way to said meeting is rendered difficult, as well as dangerous, and many of the inhabitants are thereby often impeded and hindered in attending thereon, which proves a great injury and hurt to them.

And, whereas the said Town is well situated and lies commodious for a division into two Towns which being divided will tend to the general interest and advantage of all its inhabitants.

Be it enacted by the General Assembly of this Colony and by the authority thereof it is enacted that the line for dividing said Town be as follows, viz.:

Beginning northerly where Wood river enters the line between the said Town of Westerly and North Kingstown, and so running by the natural course thereof so far until said river empties itself into a river called Pawcatuck and then to run or extend as said Pawcatuck river runs by the bank thereof westward three miles, and from thence a south or southerly course to the sea, and that for the future of the town of WESTERLY extend no further eastward than the aforesaid line.

And be it further enacted by the authority aforesaid that all the rest of said lands heretofore westerly situate, lying and being to the eastward of the aforesaid line be and they are hereby incorporated and erected a Town and called and distinguished by the name of CHARLESTOWN, and that the inhabitants thereof have all the liberties, privileges and immunities in the same manner as the other Towns in the government enjoy by Charters.

And be it further enacted by the authority aforesaid that Jeremiah Gould, John Rice, and William Gould, Esqs., be appointed a Committee to run a line between the aforesaid Towns and erect and make thereon proper monuments and bounds for distinguishing the same and to perform the same forwith.

And be it further enacted by the authority aforesaid that the Justice of the Peace in the Town of Charlestown as soon as conveniently may be issue forth a warrant to summon in the freemen to elect and make choice of their Town Officers for the management of the prudential affairs of said Town and also for the choice of two deputies for said Town to represent the same at the General Assembly in the October Session next, and so on from time to time as by Charter is appointed and that the Town of Westerly send two deputies to be chosen in manner as usual.

And be it further enacted by the authority aforesaid that each of the said Towns have their proportion of the interest of the bank money appropriated for the Towns in this Colony in the same proportion and according to the sums that the lands in each Town are mortgaged for.

And be it further enacted by the authority aforesaid that the Town of Westerly send three grand jurors to attend on the General Sessions of the Peace for the County of Kings County, and two petit jurors to attend at the Inferior Court for said County, and that the Town of Charlestown send

two grand jurors to attend on said Court of General Sessions of the Peace, and two petit jurors to attend on said Inferior Court.

And it is likewise further enacted that the Towns of Westerly and Charlestown shall each send to the Superior Court one grand juror and one petit juror to attend on the same.

ACT INCORPORATING THE TOWN OF HOPKINTON.

AN ACT for dividing the Town of Westerly, and thereof making two distinct Townships; one to retain the name of Westerly, and the other to be designated and known by the name of Hopkinton.

Whereas, a great number of the inhabitants of the northern part of the Town of Westerly, preferred a petition, and represented into this Assembly, that the said Town being upwards of twenty miles in length, they are much aggrieved by reason many of them are obliged to travel some fifteen or sixteen miles, to get an instrument recorded, others eighteen or twenty miles, when business calls them before the Town Council, or to attend at a Court of Justices, the greater part of the public business being at this day transacted and done in the southern parts of said Town; and thereupon prayed that the same may be divided, nature having cut it into two parts, by the large river, called and known by the name of Pawcatuck; and that they may be entitled to equal privileges with the other Towns in this Colony, on consideration whereof.

Be it enacted by this General Assembly, and by the authority thereof it is enacted, that the said Town of Westerly, be, and the same is hereby, made and divided into two distinct and separate Towns; and that such part thereof as lieth to the southward of the aforesaid Pawcatuck river, shall still be and remain a Town, holding its ancient name of WESTERLY; and all the lands lying to the northward of said river, shall also be, and hereby is erected into and made a Town, to be distinguished, called and known by the name of HOPKINTON; and the inhabitants thereof shall have, hold and enjoy, all and singular, the liberties, privileges and immunities, that the other towns in this Colony are entitled to, New Shoreham and Jamestown excepted.

And be it further enacted by the authority aforesaid, that the money due unto the Town of Westerly, aforesaid, for the Cedar Swamp, shall be legally secured, both principal and intrest, unto those that live on the south side of the aforesaid Pawcatuck river; and they, in return shall be wholly and solely at the expense of defending said swamp; and the Town of Hopkinton shall not be subject to any costs, and charges on that account; that all the Town debts (except such as may have lately accrued on account of the swamp), shall be equally paid by the Towns of Westerly and Hopkinton; and all such monies as were due to what, before this act, was the Town of Westerly, shall be applied towards paying off said Town's debts, except such as are due on account of the swamp.

And be it further enacted by the authority aforesaid, that all and every of the Justices of the Peace, that were chosen and appointed such for the Town of Westerly, and who live in that part thereof, that is now made Hopkinton, be, and they hereby are, continued in their offices, with full power and ample authority, in every respect, as they had in consequence of their being chosen into and commissionated for said office and that the eldest of them issue his warrant to call the freemen of the said Town of Hopkinton to meet together at some convenient place within the same, in order to choose and appoint officers neccessary for managing and conducting the prudetial affairs of said Town.
